

H9c Dual **2K & 2K**

Dual-Lens Pan & Tilt Wi-Fi Camera

Security that sees more, protects better

Experience the future of security automation with the H9c 2K Dual-Lens Smart Wi-Fi Camera. This advanced camera system provides even clearer and more detailed images than its predecessor with its 2K resolution. The dual-lens design ensures comprehensive coverage of large areas, reducing the need for multiple cameras. It also has advanced features like AI-powered human, vehicle shape detection, and smart tracking.

- | | | | |
|---|---|---|--|
|  2K & 2K Dual Lenses |  Co-Detection for Auto Smart Tracking |  One-Tap Control for Linked View Change |  Two Patrol Modes for Auto-Security |
|  AI-Powered Human / Vehicle Shape Detection |  Active Defense with Siren & Strobe Light ¹ |  Color Night Vision ² |  Two-Way Talk |
|  Supports Dual-Band Wi-Fi 6 (2.4 / 5 GHz) ³ |  Enhanced Saving Mode for All-Day Recording ⁴ |  Weatherproof Design |  H.265 Video Compression |
|  360° Panoramic Coverage |  Enhanced Dual Wi-Fi Antennas |  Smart Integration with Google Assistant & Amazon Alexa ⁵ |  Supports MicroSD Cards (up to 512 GB) & EZVIZ CloudPlay Storage ⁶ |

2K plus dual-lens, means unmatched visuals

The advanced dual-lens setup combines a sharp 2K wide-angle lens for full-scene coverage and a high-resolution telephoto pan-and-tilt lens for detailed close-ups. Together, they give you a complete view, from the big picture to the finest detail, all in one smart camera.

2.8mm Wide-Angle Lens

Manually-Adjustable 240° Horizontal Rotation and 15° Preset Fixed Tilt Angle for Glare-Free Viewing

6mm Telephoto Lens

Motorized Pan & Tilt for 360° View

Double lenses secure more than double peace of mind

The H9c Dual offers versatile monitoring with two lenses that adapt to your needs. You can have both lenses focus on the same spot for detailed viewing or angle them separately to cover two different areas at once.

Dual lenses to see wide and clear

Dual lenses to see back and front

Co-action technology ready for a complex activity

Unlike most dual-lens cameras in the market that only stitch the views of two lenses, the H9c Dual is smart enough to complete a complicated detection activity by involving two lenses at the same time.

Step 1

The top lens detects a moving person in its view

Step 2

The bottom lens rotates and follows the moving person

(The bottom lens is also capable of tracking objects that it detects.)

Smarter alerts on the comes and goes

In addition to capturing human activities with a wealth of information, the H9c Dual recognizes the shape of a car from other moving objects. If your family member pulls up in front of your driveway or someone parks in your detected area, you will be notified immediately.

-  AI-Powered Human Shape Detection (On both lenses)
-  AI-Powered Vehicle Shape Detection (On both lenses)
-  No Subscription Fee

Click to check, with both wide and close-up views

Understand the whole, big picture while paying attention to the important details, by using the EZVIZ App. You can tap the area of interest on the wide-angle viewing box, so a close-up view will be shown on the side at the same time.

Or, let the H9c 2K patrol smartly, so you don't have to

On set time intervals, the lower lens can complete rotational check-ups to eliminate blind spots. You can customize patrol routes for tailored focuses, or simply ask it to complete a full-circle spin.

Patrol horizontally

Follow pre-set 4 points

Designed to make protection last all night

Impressive, far-reaching color night vision², with 4 built-in spotlights

Three useful night vision modes will suit any need

Smartly saves space without missing any moment

With EZVIZ's enhanced saving mode⁴ with all-day recording, the camera captures just 1 frame per second during quiet moments to conserve storage. When an event is detected, it automatically switches to high-frame-rate recording for smooth, detailed videos.

Faster connections, boosted coverage

Being Wi-Fi 6-enabled means that the H9c Dual is far less likely to face network challenges when operating outside your house.³ In addition to enhanced Wi-Fi connection stability, you can enjoy smoother dual 2K video streaming and faster camera response when controlling it remotely.

- Low-Latency Dual 2K Streaming
- Extended Range & Coverage
- Enhanced Connectivity
- No Hub Required

Communications can be this easy

Enjoy two-way audio by simply using your smartphone. Or, pre-record a 10-second voice message that automatically plays upon human motion detection.

A vigilant guard who works around the clock

The H9c Dual integrates EZVIZ's beloved active defense function to provide an extra layer of protection. Upon detection of intruders, the camera will set off a loud siren and flash spotlights to warn them away.¹

Sold separately

A durable design with versatile setups

Designed to satisfy security demands under various scenarios, the H9c Dual can easily find its best location to deliver steady, reliable performance even in rain or snow.

Powerful antennas, stable connection

It boosts up to 220 m Wi-Fi coverage thanks to its high-performance dual antennas.⁷ It also offers wired options for further convenience.

H.265 for enhanced video experience

The H.265 creates a smoother viewing experience while only using about 50% of the data storage space required by cameras with H.264.⁸

Dual storage options for important moments

The camera automatically saves detection-triggered history videos. You can choose to secure them on a large local storage card, or simply by subscribing to the EZVIZ CloudPlay.⁶

Alexa, show me the yard.

Smart integration for hands-free control

The camera supports easy integration to your existing voice assistants. You can pull up the video feed by simply saying "Alexa" or "Hey Google".⁵

More convenience for various needs

We're committed to protecting with trust

We put security as the primary goal of every product and system that we build, and assiduously improve our practices to better protect your device, data and privacy.

1 The spotlights will not flash when the color night vision is enabled.

2 If the two lenses point in the same direction, the maximum color night vision range is 40 meters. If this is not the case, the maximum distance is 30 meters, based on EZVIZ Lab test results under standard conditions.

3 Only the latest version of the H9c Dual 2K model supports Wi-Fi 6 connectivity. Please verify the availability before making a purchase.

4 Only the latest version of the H9c Dual 2K model supports the enhanced saving mode. Please verify the availability before making a purchase.

5 Google Assistant and Amazon Alexa are not available in some languages and countries.

6 A local storage card must be purchased separately. Cloud storage service is only available in certain markets. Please verify the availability before making any purchase.

7 Data from EZVIZ Lab's test results in open environment. Will vary with the Wi-Fi frequency, camera location, the transfer technology, and other environmental factors.

8 Data from EZVIZ Lab's test results under standard conditions. The video compression efficiency will vary with the frequency and complexity of the activity captured, as well as other environmental factors.

Specifications **Model** CS-H9c-R105-8H33WFL

Camera

Image Sensor	1/3" Progressive Scan CMOS
Shutter Speed	Self-adaptive shutter
Lens	Top lens: 2.8 mm @ F1.6, viewing angle: diagonal 110°, horizontal 96°, vertical 54° Bottom lens: 6 mm @ F1.6, viewing angle: diagonal 60°, horizontal 52°, vertical 28°
PT Angle	Top Lens: 0~240° Pan (manual adjustment) & 15° Preset fixed tilt angle Bottom Lens: Pan: 350°, Tilt: 80°
Minimum Illumination	0.5 Lux @(F1.6, AGC ON), 0 Lux with IR (* data is obtained from EZVIZ laboratories)
Lens Mount	M12
Day & Night	IR-cut filter with auto switch
DNR	3D DNR
WDR	Digital WDR
Black & White Night Vision	30 m / 98 ft
Color Night Vision	Up to 40 m
Number of Lights	Top Lens: 2 spotlights and 2 IR lights Bottom Lens: 2 spotlights and 2 IR lights

Video & Audio

Max. Resolution	2K (2304 × 1296)
Frame Rate	Self-adaptive during network transmission
Video Compression	H.265 / H.264
H.265 Type	Main profile
Video Bit Rate	Ultra-HD; Hi-Def; Standard. Adaptive bit rate.
Audio Bit Rate	Self-adaptive

Network

Wi-Fi Standard	IEEE802.11a, 802.11b, 802.11g, 802.11n, 802.11ac, 802.11ax
Frequency Range	2.4 GHz ~ 2.4835 GHz, 5150MHz-5250MHz, 5250MHz-5350MHz, 5470MHz-5725MHz
Channel Bandwidth	Supports 20MHz@2.4G, Supports 20 / 40 / 80MHz@5G
Security	WPA-PSK/WPA2-PSK
Transmission Rate	1b: 11Mbps, 11a/g: 54Mbps, 11n: 150Mbps, 11ac: 433Mbps, 11ax: 600Mbps
Wi-Fi Pairing	AP pairing
Protocol	EZVIZ Cloud Proprietary Protocol
Interface Protocol	EZVIZ Cloud Proprietary Protocol
Wired Network	RJ45 × 1(10M / 100M Adaptive Ethernet Port)

Function

Smart Alarm	AI-powered human / vehicle shape detection; Motion detection
PT Function	Co-detection for auto tracking / One-tap control for linked view change / Preset points / Patrol mode
Customized Alert Area	Supports
Two-Way Talk	Supports
Active Defense	Supports
General Function	Anti-Flicker, Dual-Stream, Heart Beat, Password Protection, Watermark

Specifications **Model** CS-H9c-R105-8H33WFL

Storage

Storage Saving Mode	Supports
Cloud Storage	Supports microSD card (max. 512 GB)
Cloud Storage	Supports EZVIZ CloudPlay storage (Subscription required)

General

Operating Conditions	-30°C to 50°C (-22 °F to 122 °F) Humidity 95% or less (non-condensing)
IP Grade	Weatherproof Design
Power Supply	DC 12 V / 1.5 A
Power Consumption	Max. 18 W
Dimensions	147 × 116 × 142 mm (5.71 × 4.57 × 5.59 inch)
Packaging Dimensions	150 × 150 × 194 mm (5.90 × 5.90 × 7.64 inch)
Weight	Net Weight: 626 (22.08 oz) With Package: 960 g(33.86 oz)
